A webcast link for the live presentation will be available on the Company's investor relations website at <https://ir.iea.net/investors>. A replay will also be available following the event.

### **About IEA**

Infrastructure and Energy Alternatives, Inc. is a leading infrastructure construction company with renewable energy and specialty civil expertise. Headquartered in Indianapolis, Indiana, with operations throughout the country, IEA's service offering spans the entire construction process. The Company offers a full spectrum of delivery models including full engineering, procurement, and construction, turnkey, design-build, balance of plant, and subcontracting services. IEA is one of the larger providers in the renewable energy industry and has completed more than 240 utility scale wind and solar projects across North America. In the heavy-civil space, IEA offers a number of specialty services including environmental remediation, industrial maintenance, specialty transportation infrastructure and other site development for public and private projects. For more information, please visit IEA's website at [www.iea.net](http://www.iea.net) or follow IEA on [Facebook](#), [LinkedIn](#) and [Twitter](#) for the latest Company news and events.
